Dear Mr. Richardson:

We are pleased to inform you that your firm's application for certification as a Local Disadvantaged Business Enterprise (LDBE) with the Metropolitan Washington Airports Authority (Airports Authority) has been approved.

This certification qualifies **Phase Separation Science, Inc.** to participate as a LDBE on non-federally funded contracts with the Airports Authority, which require LDBE participation.

If, there is a material change in the firm that may affect LDBE eligibility, you must promptly notify this office in writing. This includes, but is not limited to: ownership, officers, directors, scope of work being performed, daily operations, and affiliations with other businesses or individuals or physical location of the firm. Notification should include supporting documentation. The Airports Authority may commence actions to remove your firm's eligibility if you fail to comply with these requirements or otherwise fail to cooperate with the Airports Authority in any inquiry or investigation.

The Airports Authority reserves the right to review your firm's LDBE certification at any time and you may be required to provide any and all relevant documentation. Failure to cooperate by providing the requested information may lead to de-certification.

If you wish to expand or change your firm's LDBE certification to include NAICS codes not listed on page 2 of this letter, you must send a written request to this office. You may be asked to provide additional information concerning your firm's qualifications to perform work in the areas covered by the requested NAICS codes.
